2020 Southeast Park Maintenance Workshop & Skills Challenge Schedule

<u>7:30 a.m.-8:15 a.m.</u>	Registration/Check In
<u>8:15 a.m.—9:15 a.m.</u>	Education Session
<u>9:15 a.m.– 11:45 p.m.</u>	Skills Challenge Activities

INDIVIDUAL

Irrigation Valve Assembly-This event entails a person to disassemble and assemble an irrigation valve in the fastest time. Judges will look for proper assembly and completion time.

Bobcat Back Hoe & Eggs-This events objective is to operate the Back Hoe and touch an egg that is sitting on the cone. Judges will time this event and count the number of eggs touched and not crushed within the fastest time. Each crushed egg is a 5 second penalty added to your time.

Bobcat Basketball-This event involves the operation of a Bobcat. The objective is to get 3 basketballs (1 at a time) and put them in a garbage can. Judges will be looking for the most basketballs in the bucket along with the safe operation of the Bobcat within the fastest time.

Punt, Pass & Kick-This event consists of measuring a single punt attempt, pass attempt and kick attempt off a tee with a football. The ball will be measured on where it impacts the ground from the air (do not add yards for roll). All 3 yardages are combined for one total score. The winner will be the contestant with the most total yardage.

Blower Slalom-This events participant must use the air from the back pack blower to maneuver the playground ball in and out of the obstacle course. If the ball goes out of bounds, it must be put back in bounds and course path continued. Judges will be looking for the fastest time and the safe operation of the blower.

Basketball Shooting Contest-This event allows the participant 1 minute to make as many baskets as possible from the designated spots. In the event of a tie, the tied participants will get 5 shots from the designated spots. Register by 10:30 am to participate in this event.

TEAM

Mower Relay-This is a 2 member team event. Each individual will operate a mower thru a small obstacle course. Each competitor will operate a riding mower. Both scores are combined for the fastest combined time.

Sandpro Soccer-This is a 2 member team event. One team member stands at each goal area. The first team member will drive a sandpro with the front blade pushing a soccer ball until they reach the goal where the other team member is waiting. After the ball crosses the line, the participant will stop the machine, get off and allow the other team member to push the ball back through the cones where the event started. The fastest time wins. Any ball that goes out of bounds will result in penalty time.

Corn Hole -This event consists of a 2 member team competing against another 2 member to reach a score of 21 first, by throwing bean bags at a target. Teams advance or are eliminated based on their score. This event is based on accuracy and fastest time.
