DEMONSTRATE LEADERSHIP IN PARK STEWARDSHIP AND ENVIRONMENTAL SUSTAINABILITY

Strategy E5

Adopt and support best practices and sustainable conservation models.

1

Develop messaging package for environmental stewardship, sustainability and resiliency campaign.

Strategy E3

Provide learning opportunities to advance environmental stewardship, sustainability and resiliency.

2

Provide FRPA members with information and resources to be used for locating funding for environmental efforts.

3

Promote partnerships with organizations, such as UF/IFAS and other colleges and universities to promote environmental education, research and stewardship.

4

Host FRPA workshops in or partner with allied organizations to provide education on environmental stewardship, sustainability, and resiliency.
