

As part of FRPA's 75th Anniversary, we are preparing a time capsule to be opened on the 100th anniversary celebration, in 2042. Items shall be from the current time period (2010's). (If you have past items, please send them to us now for inclusion on the FRPA Anniversary Timeline!)

FRPA would like to collect the items at the 2017 Annual Conference in Orlando, FL.

Items may include: programs or brochures featuring new parks and facilities, t-shirts, pictures, department videos (on usb), It Starts In Parks campaigns, newspaper articles with positive agency news, etc. All items will be accompanied by an information slip, found below. Items larger than 12" x 12" will need to be photographed to be included. If you do not have a physical item to contribute, please consider filling out a questionnaire.

Some things to consider when determining what you would like to contribute:

- What is the culture of Parks and Recreation as you experience it today?
- What does being a member of FRPA mean to you?
- Conference/Workshop/Meeting traditions
- Pictures of things you think won't be around in 25 years
- What do you hope never changes about FRPA?
- Letter to a future Park and Reccie
