

PROJECT LEARNING TREE RESOURCES FOR FORESTRY EXPLORATION

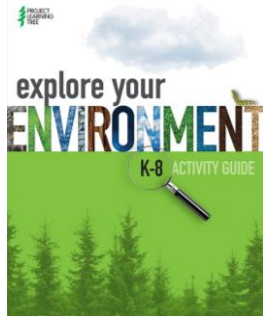

QUICK GUIDE FOR FORESTRY PROFESSIONALS

ENGAGE LEARNERS OF ALL AGES IN CONCEPTS
RELATED TO SUSTAINABLE FOREST MANAGEMENT

The **Quick Guide for Forestry Professionals** includes tips and tricks for working with youth as well as eight 30-minute ready-to-use, hands-on experiences that engage youth in learning about trees, forests, and the environment.

This guide is available for download on the Florida PLT website at <https://programs.ifas.ufl.edu/plt/curriculum/>

The **Explore Your Environment: K-8 Activity Guide** includes 50 hands-on, multidisciplinary activities to connect children to nature and increase young people's awareness and knowledge about their environment.

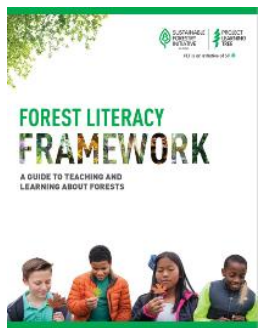

This guide is available for purchase as an e-book or printed guide, with or without an online course, at shop.plt.org.

EDUCATOR GUIDE
COLLEGE AND CAREER PREP
LEARNING GOALS 10-25

The **Green Jobs: Exploring Forest Careers** unit includes four hands-on instructional activities to help youth ages 12-25 research forestry jobs and practice managing and monitoring forest resources.

The unit is available for purchase as an e-book or printed guide, with or without an online course, at shop.plt.org.

FOREST LITERACY FRAMEWORK

A GUIDE TO TEACHING AND
LEARNING ABOUT FORESTS

The **Forest Literacy Framework** translates the language of forests and sustainable forest management into concepts for everyone at any age. The framework offers 100 forest concepts for grades K-12, that everyone should know before graduating from high school.

Download the framework at plt.org/forestliteracy.

LEARN ABOUT FORESTS

WHAT'S IN A LABEL?

PLAY

What happens when you see a label on a product? How do you know if it's real? This activity explores the importance of labels and how they can be used to make informed choices.

The **Learn About Forests** family activities engage middle school aged youth in learning about trees, forests, and sustainable forest management. There are twelve 50-minute activities in the series.

Access the activities at <https://www.plt.org/activities-for-families/learn-about-forests/>
