

community building

BE COMMUNITY CONNECTORS THROUGH LEADERSHIP, CIVIC ENGAGEMENT AND COLLABORATION IN THE DEVELOPMENT OF THE PUBLIC REALM, PARKS AND PUBLIC SPACES.

Strategy C1

Lead the connection of all Floridians to the benefits of parks and recreation through intentional design by physically connecting communities and strengthening opportunities for community engagement, community advocacy, and an overall sense of community.

1

Engage public safety agencies at state and local level in community building with a focus on preventative public safety.

2

Create a template project for agencies and individuals to use to engage citizens and businesses in the community.

Strategy C3

Advocate for legislation, public policy, and partnerships that promote smart growth and civic engagement.

3

Use the “It Starts in Parks” message to reach new audiences about the importance of parks to civic growth, engagement and community building.
