Dear Friends,

As 2018 gets rolling, the FRPA Foundation is proud to be rounding out its 20th anniversary of existence. We are thankful that we have the opportunity to join the Florida Recreation and Park Association's efforts to advance the field of parks and recreation. Looking back on 2017, we have been able to support programs including the Joe Abrahams Academy for Leadership Excellence, the Emerging Leaders Institute and statewide workshops and positively impact our ability to move parks and recreation forward.

The FRPA Foundation is proud to have been able to invest in a \$25,000 grant program to provide funds to agencies implementing the Fit2Play Program at afterschool sites through the 2017/18 school year. Fit2Play focuses on health and nutrition programming for afterschool kids ages 6-14. Programming includes active play and nutrition education. Participants are given pre and post testing to measure the effectiveness of this programming. Agencies who received funding must have also committed to the FRPA State of Health and Wellness Pledge.

We are always looking for more professionals to be involved in the FRPA Foundation's efforts. We appreciate donations but there are other ways you can help. You can participate in the Annual Online Auction, either as a donor or a bidder (or both!), which will take place August 5-12 this year. You can also designate the FRPA Foundation as your charity of choice during your agency's United Way Campaign. Amazon Smile offers a chance for you to link your account to the Foundation so that a portion of your purchase goes back to the Foundation. We welcome other ideas and opportunities so please, be in touch.

Thank you for your help in 2017 and let's make 2018 one to remember!

Sincerely,

Michelle Park, President
Board of Trustees
