

FRPA

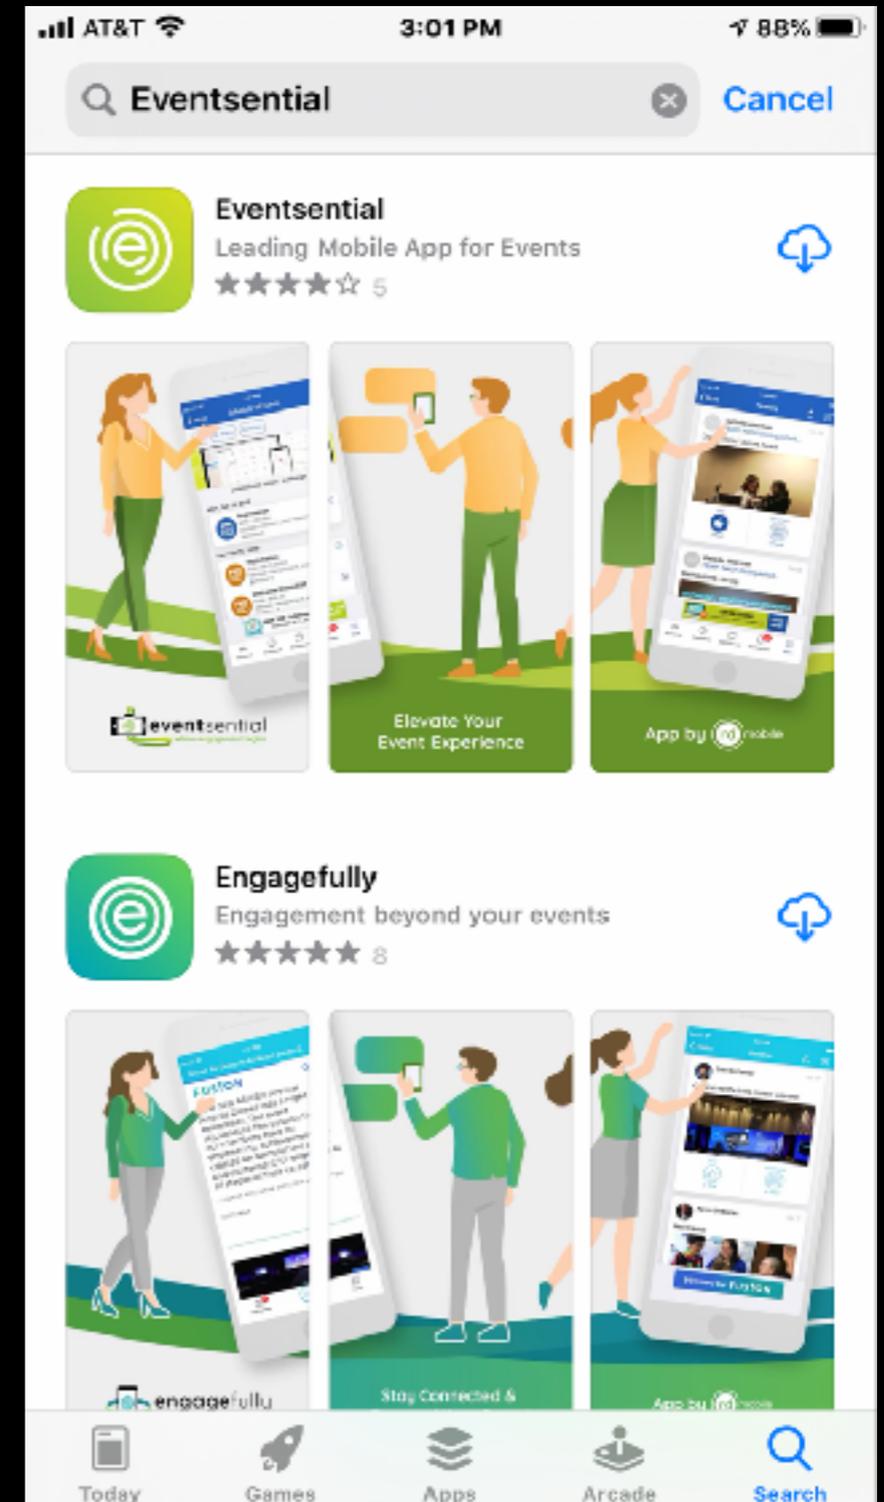

Eventsential App

The FRPA Eventsential App is designed to make your FRPA event experience easier to manage and user friendly.

This App is available on your iPhone or Android phone.

Installing the App

Search "Eventsential" in your App Store and download to your phone. It will not say anything about FRPA but we promise it is the correct app.

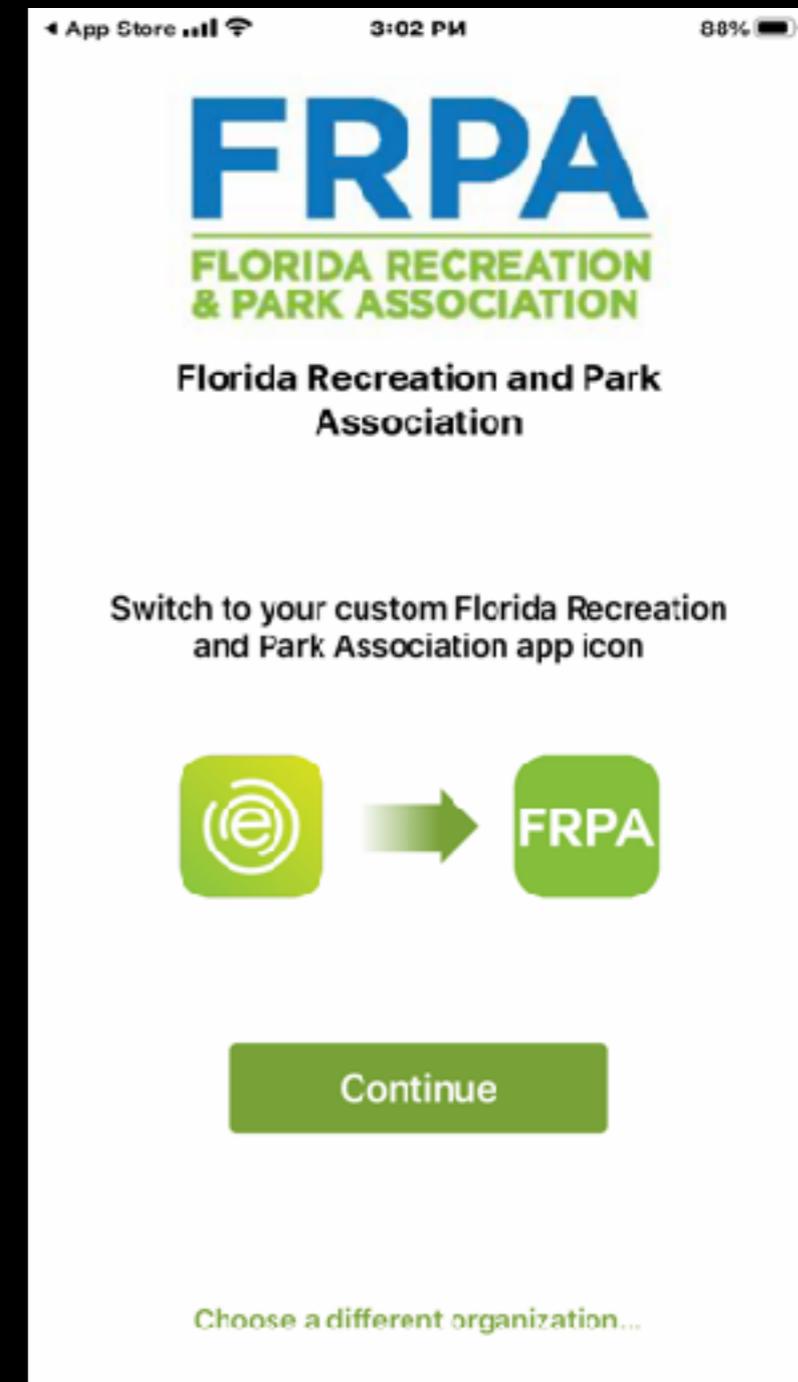

Add FRPA to the App

- Open and search for "FRPA"
- Click on the ">" to add to your app.

Icon Change

The App will update the icon on your screen automatically to the familiar FRPA letters with a green background
Press "Continue".

Select the current Conference

Any current FRPA event will show up on this list. To access the event, click on it.

Select the current Conference

Click on "Select this Event"

VISION POSSIBLE
FRPA 2020

2020 Annual Conference
August 29 – September 3, 2020
Omni Orlando
Championsgate, FL

The 2020 Conference theme is "Vision Possible". Creating a sense of community comes naturally for park and recreation departments. We manage the spaces and places that people gather to create memories. The Conference will help solidify these ideas while also creating educational opportunities in each of the other pillars of the Strategic Plan.

Account Log In

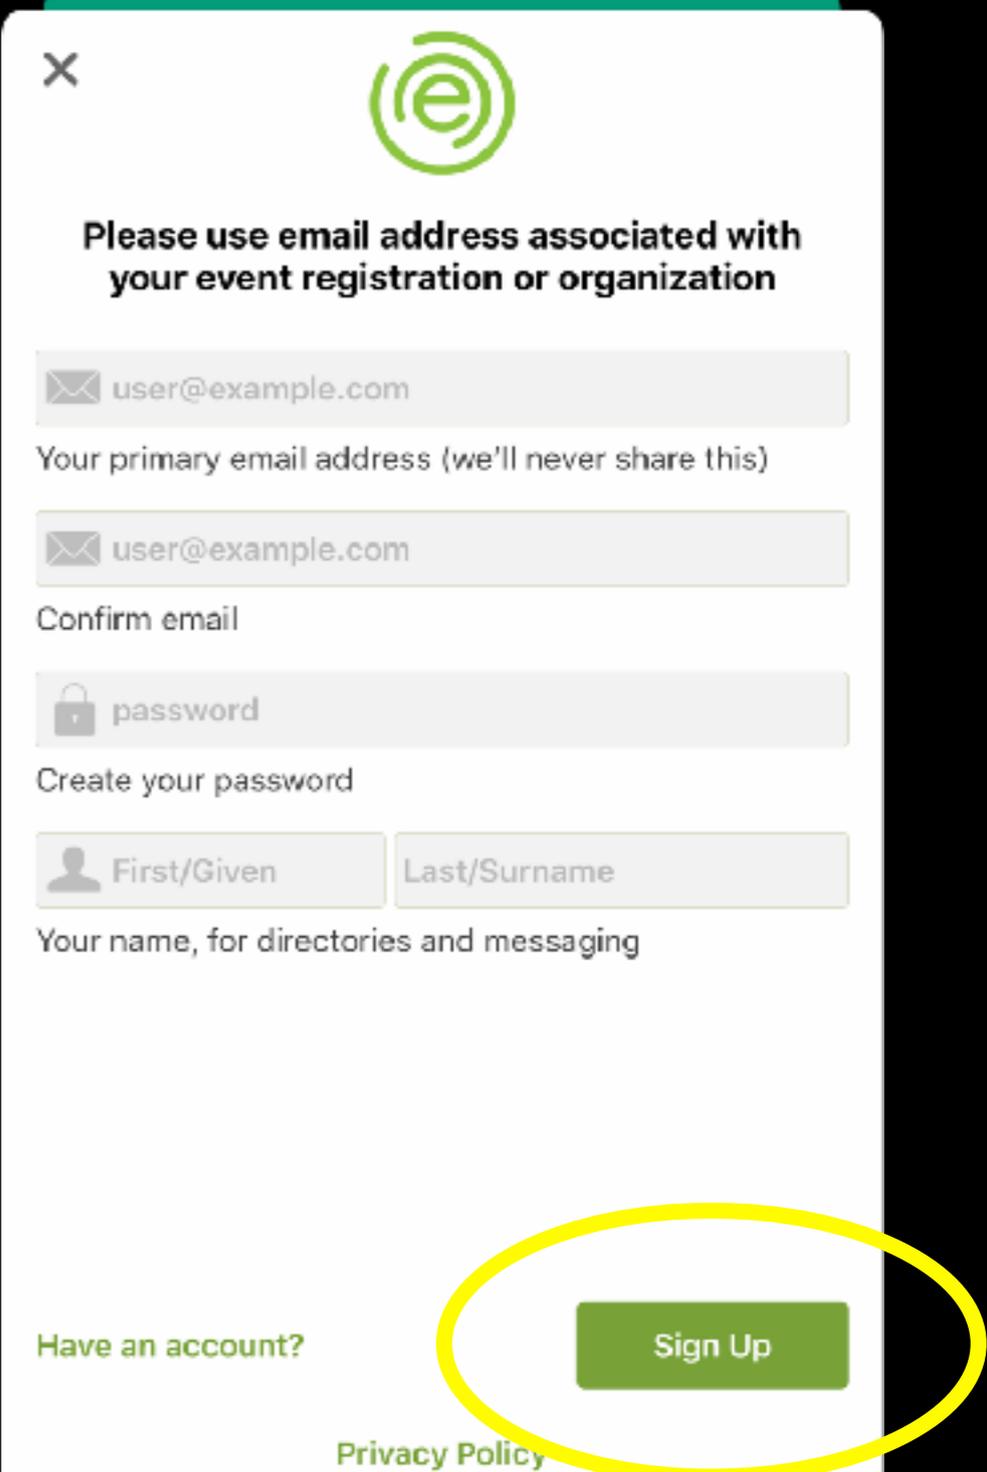

Select "Get Started" if you do not have an existing Eventsential account with the email address you registered for Conference with.

If you have an account select "I have an account!"

Account Log In

Use the email address you registered for Conference with and create a password. You will also need to enter your first and last name as you would prefer for it to appear on the App.

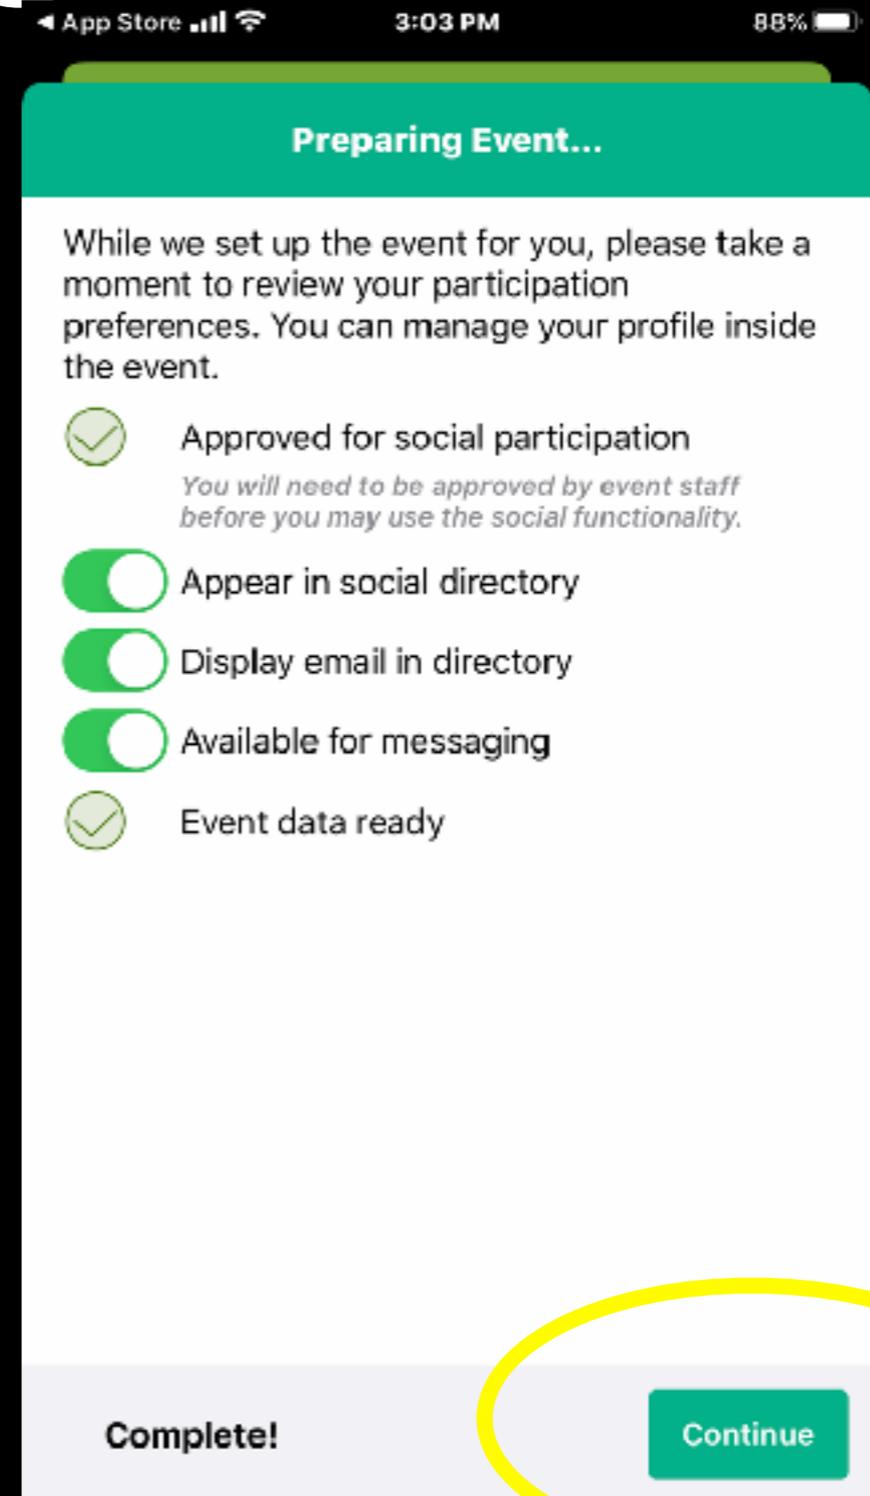

The screenshot shows a registration form with the following fields and elements:

- Close button (X) and logo (e) at the top.
- Instruction: "Please use email address associated with your event registration or organization"
- Primary email field: "user@example.com" with label "Your primary email address (we'll never share this)"
- Confirm email field: "user@example.com" with label "Confirm email"
- Password field: "password" with label "Create your password"
- Name fields: "First/Given" and "Last/Surname" with label "Your name, for directories and messaging"
- Link: "Have an account?"
- Button: "Sign Up" (highlighted with a yellow circle)
- Link: "Privacy Policy" at the bottom right.

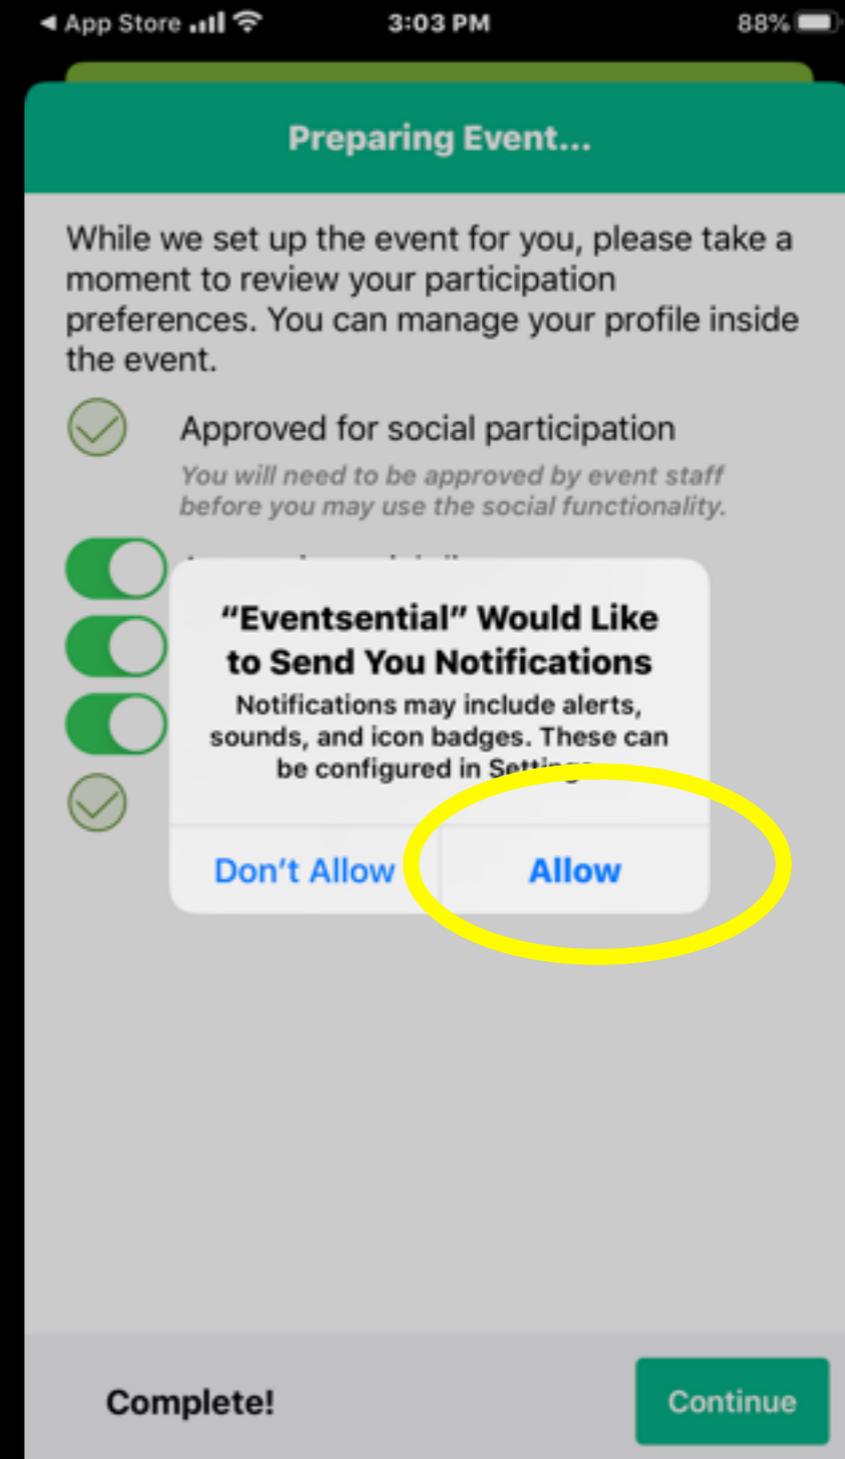

Settings

If you have registered with the correct email address all the selections will be pre-set for you. If you would not like to appear in the App Directories, un-select these options. Your email address will NOT appear in the directory even if you check this as acceptable.

Notifications

If you would like to allow notifications, select "allow". We suggest allowing notifications for the duration of the Conference so that you will receive the most timely information available. You can turn these off at a later time.

Welcome Screen

The first screen you will see will be the Welcome Screen. This page has helpful information particular to this year's conference.

Dashboard

The next tab you will see will be the Dashboard. This is the central space for your App experience.

About Your Dashboard

The sessions you have selected will appear here for easy access to your schedule.

Messages you have sent or received will appear here.

Posts from other users to the Timeline will appear here

Find sessions by selecting "Schedule" at the bottom of the screen. You can see all classes and events, read more about them and add them to your schedule.

Shout Out to Greenfields Outdoor Fitness for sponsoring this great App!

Under Exhibitors, you will see the most up to date list of Exhibitors joining us this year.

Schedule Screen

Find sessions by searching for keywords either with the title or description of the class.

Choose your view:

If the 'Selected' button is highlighted only classes you have selected to attend will show. Unselect this option if you want to see all classes.

Select a class to add to "My Schedule" by clicking the calendar icon. Chosen classes will be highlighted and appear under the "Selected" option.

ADs! Click to support our sponsor.

Timeline Screen

Picture and Name of the person posting the post.

Interact with the post by "liking" it or leaving your own comment.

Compose a message with text or a picture, or both. Use the "Tag a Session" feature to allow others to see what class or activity you are posting about.

How long ago the post was posted.

The tagged class or activity the user is posting about will appear here if applicable.

Found under the "More" tab.

Notifications Screen

Notifications are important announcements and reminders in relation to the event. For example, classes that have changed rooms or reminders about socials will be here. These are the same notifications that will pop up on your screen as long as you allowed notification of these when you signed in.

You can hide any notifications you have already read

If you did not allow notifications when you were setting up the app but you'd like to allow them now, go to your phone settings and under "Notifications" click the button to allow Eventsenial to receive them.
