

TEAM REGISTRATION FORM

Welcome to the first ever Florida Recreation Esports State Championship!

Only Florida park and recreation departments can enter teams into the Florida State Championship. All players must be listed on a registration form provided by a registered park and recreation department. Players will compete in the championship on the Mission Control platform. Complete roster is due to the FRPA state office by July 28, 2021 (no late exceptions). *FRPA is not responsible for internet quality during games. It is the player's responsibility to ensure they have adequate upload and download speeds to not incur lag or quality issues.* Players of all ages are allowed one entry per game.

Agencies can report up to three teams per game (up to 18 players total) to represent their agency; participants can compete on more than one team but cannot play multiple times in one game.
