Dear Friends,

2018 was a productive year for the FRPA Foundation by any measure. The Fit2Play initiative, focusing on health and nutrition programming for afterschool children, was in high gear and collecting data. The Abrahams Academy and Emerging Leaders programs continued to mold our future leaders. The Annual Auction grew its presence online via Facebook. And, in what might be the most impactful initiative to date for the Foundation, the Association got underway with the creation of the Economic Impact Calculator which, when complete, will be a powerful tool to demonstrate our place in a community's prosperity. The Foundation so believes in the value of this tool that we committed our largest single financial commitment in our history (up to \$37,500) toward its creation.

The Foundation relies on your support. Donations are always welcome but you can participate in other ways. A popular way to support the Foundation is to participate in the Annual Online Auction as a donator or a bidder. The auction will take place in the week leading up to Conference and, new this year, will extend into Conference Week. You can also designate the FRPA Foundation as your charity of choice during your agency's United Way Campaign. Amazon Smile offers a chance for you to link your account to the Foundation so that a portion of your purchase goes back to the Foundation.

We look forward to continuing to serve this great profession in the year ahead.

Sincerely,

Don Decker, President  
Board of Trustees
